

Committee	Chair / Co-chair(s)	Charge
Academics Committee (formerly Curriculum Development, School Clinic & Herb Committees)	Sharon Jennings-Rojas Thomas Kouo Lixing Lao	Provide educational support, curriculum recommendations, advancements, and administrative training resources to further develop and improve institutions' academic programs. To foster experiential learning ideas and opportunities inclusive of diversified internal and external clinical programming, augmenting student learning experiences in the Acupuncture and Herbal Medicine workforce, as well as other integrative and collaborative healthcare spaces. The Academics Committee serves as the Council's liaison between the member colleges, the Accreditation Commission (ACAHM), and the National Certification Commission (NCCAOM). The committee also serves to help build bridges and form collaborations between AHM organizational leaders and like-minded community-based organizations committed to providing compassionate whole-health education and/or care for all people.
Curriculum Subcommittee	Sharon Jennings-Rojas (MUIH)	
School Clinic Subcommittee	Thomas Kouo (ESATM)
